**SUBJECT: ACCEPTANCE OF STC ST02285LA**

Sir;

This letter is issued in response to an application made by **TDG Aerospace, Inc.** It is requested that you transmit this letter to the holder on our behalf.

In accordance with the TC policy relative to the familiarization of FAA STC's, some STC's applicable to certain categories of aircraft may be accepted solely on the basis of their FAA certification and do not require the issuance of a corresponding certificate by Transport Canada. The referenced STC falls within that criteria.

The subject STC will be entered in the national index of STC's that have been familiarized or accepted by Transport Canada for installation on Canadian registered aeronautical products.

This letter confirms formal acceptance of the referenced STC by Transport Canada.

Yours truly,

Luize-M. Avrigeanu
